The Objects of Kiwanis International

To give primacy to the human and spiritual, rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business and professional standards.

To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide through Kiwanis clubs a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.

Thank You For Serving
